## TO A HOMELESS DOG

You can make a difference to a shelter dog! Family Dog Rescue is a 100% donation based, grass roots nonprofit. Our shelter is located in the Bayview district of San Francisco. In 2018 alone, we will save over 1,000 dogs!

## EXAMPLE EMAIL TO SEND TO YOUR OFFICE:

This holiday season, I am collecting supplies and donations for the homeless dogs at Family Dog Rescue (where I rescued my dog from, where I volunteer on Tuesdays, etc.).

This small, San Francisco based nonprofit runs entirely off of donations and receives no government or city funding. This year, they have saved over 1,000 dogs and placed them into loving homes! I have set up a Giving Tree in the (lobby, kitchen, break room etc.) with ornaments that have wishlist items on the back. Please take an ornament and fulfill the wishlist item for a homeless dog living at the shelter. Place your donated item under the tree to be sent to the shelter at the end of the month. These donations keep Family Dog Rescue running. Thank you so much for participating, your donations save lives.

*Thank you, from our  
snoots to our tails,*
